

A misty forest path with large trees and fallen leaves. The scene is dimly lit, with a soft glow emanating from the center of the path, creating a sense of depth and mystery. The trees are tall and slender, with some showing signs of autumn. The ground is covered in a thick layer of fallen leaves, and the overall atmosphere is serene and contemplative.

This is a beautiful process where I walk you through your entire ancestral life pattern. In the end, you will see all of your blocked areas where you have been on auto pilot and your **soul is not manifested.**

The process is conducted over two sessions. The first **4 hours** to release the shadow, and **2 hours** to the created life of your next most beautiful chapter.

A silhouette of a person sitting in a meditative pose on a mountain peak, with their hands resting on their knees in a mudra. The background is a warm, golden sunset over a mountain range.

If you would like to be in a deep, meditative connection with yourself.
I welcome you to take the next step of your journey with me.
